ABOUT VIBRANT GRAM SABHA

Vibrant Gram Sabha portal is an integrated real time online monitoring system, where all the major performance parameters of the key focus areas at the GP/ Village levels are tracked and displayed in the public domain. It facilitates a completely automated online workflow configurable Gram Sabha management system, substituting paper-based manual process. The primary objective of "Vibrant Gram Sabha" portal is to make the Gram Sabha meetings more participatory, transparent and vibrant.

Welcome to eGramSwaraj Portal

eSwaraj is one of the applications developed as part of Panchayat Enterprise Suite (PES) under e-panchayat Mission Mode Pro...
eSwaraj aims to bring in better transparency and strengthening the e-Governance in Panchayati Raj Institutions (PRIs) across the country through decentralized planning, progress reporting and work-based accounting.

Furthermore, eSwaraj will assist in enhancing the credibility of Panchayats which would induce greater devolution of funds to PRIs as well as provide a platform for effective monitoring by higher authorities.
